KYC/AML | CLIENT ONBOARDING COORDINATION | STAKEHOLDER MANAGEMENT | COMPLIANCE | DOCUMENTATION

PROFESSIONAL SUMMARY

Financial services professional with 2+ years of experience in client onboarding, financial services operations, business delivery, documentation, KYC/AML coordination, stakeholder management and transaction lifecycle support. Experienced in coordinating onboarding pipelines across Trading, Sales, Operations, Legal, Risk and Compliance teams and external clients. Strong understanding of equity markets, equity derivatives, equity finance, securities finance, stock lending, repo, legal documentation, funding, margining, and collateral requirements. Proven ability to manage multiple concurrent workflows, identify and resolve exceptions, maintain accurate documentation, coordinate regulatory requirements and deliver time-sensitive business outcomes. Strong analytical, organizational, project management and communication skills with experience supporting globally distributed teams.

WHY I'M A STRONG FIT

- KYC/AML control mindset: I flag transaction variances and escalate exceptions with documented evidence.
- KYC/AML documentation: I reviewed applicant documents against guidelines and kept audit-ready records for every decision and escalation.
- KYC/AML stakeholder coordination: I worked across Operations, Risk, Compliance and business teams to close every open item on time.
- Pipeline ownership: I tracked open items through to completion, taking ageing on a pending pipeline to zero in 60 days.
